

Dog Guests

We, like you, enjoy taking our dog, Rafford, with us when we travel, so we are delighted to welcome your dog to our home. We regret that we must limit the number of dogs staying to two per room. Please remember not everyone is as keen on dogs as we are, so take the feelings of other guests into consideration, especially with regard to noise when bringing your dog in or taking him out early or late. You are welcome to take your dog into the dog-secure (we think!) garden via the gate at the left of the front door, or via the conservatory, or we may be able to close the drive gate to provide a secure area. The garden behind the stable block is reserved for our dog.

We ask owners to note the following:

Please make sure that you bring all necessary items for your dog, basket/bed, food & bowls etc.

-  Please make sure your dog is not wet or muddy when he comes into the house. We can supply dog towels if requested or leave your dog in your car until it's dry.
-  Please do not leave your dog unattended in the house. So please, at breakfast time, put him/her in the car or in the garden if appropriate.
-  Please do not take your dog into the dining room.
-  Please keep your dog off the chairs and beds.
-  There is a daily charge of £2.50 per dog.

Thank you for your co-operation.
